To whom it may concern;

This letter of support for Cisco Brenneman's grow in Petrolia.

We have been Cisco's neighbor for the last 26 years. He has always done things legally and the right way. He is a very good neighbor.

There are always going to be some people who don't like what you do, no matter what it is. We seem to hear this over and over from the same voices.

Cisco is doing a better job than 90% of the other growers.

Nothing to be seen here; people just move along. Some people would complain if they were hung with a new rope.

Supporting Cisco,
Tim & Kathy Cook
