STRATEGIC PLAN:

The recommended actions support the following areas of the Board of Supervisors Strategic Plan:

Area of Focus: Core Services/Other

Strategic Plan Category: 9999 - Core Services/Other

DISCUSSION:

On March 22, 2005 (item D-4), the Humboldt County Board of Supervisors authorized the Department of Health and Human Services - Social Services (“DHHS - Social Services”) to finance child welfare improvement activities through grant funding to various local community and family resource centers. Providing community and family resource centers with grant funding increases DHHS - Social Services’ ability to provide situation appropriate responses to reports of child abuse and/or neglect as defined in the County of Humboldt’s departmental differential response goals and objectives.

Since fiscal year 2007-08, DHHS - Social Services has offered grant funding to eligible community and family resource centers from the California Work Opportunity and Responsibility to Kids (“CalWORKs”) funding allocation received by DHHS - Social Services. CalWORKs is California’s Temporary Assistance to Needy Families program. Grant funds were made available to participating community and family resource centers in order to allow for the provision of community outreach and support services that are designed to assist DHHS - Social Services in achieving successful implementation of its CalWORKs county plan addendum while supporting the primary goals of the Temporary Assistance to Needy Families program, which include providing assistance to needy families in achieving unsubsidized employment so that children may be cared for in their own homes or in the homes of relatives.

DHHS - Social Services has also offered grant funding to participating community and family resource centers to provide community outreach and support services related to the CalFresh program since fiscal year 2011-12. The CalFresh program helps low-income individuals and families purchase food they need to maintain good health. DHHS - Social Services is committed to linking the CalFresh program to good nutritional practices and habits through informational outreach. The CalFresh portion of the grant funds supports the community and family resource centers’ participation in CalFresh program outreach and nutritional education training. Staff at the various participating community and family resource centers serve community members by assisting with the CalFresh application and enrollment process.

The integration of goals between the CalWORKs, Temporary Assistance to Needy Families and CalFresh programs allows for the most efficient use of community resources. DHHS - Social Services’ plan for fiscal year 2026-27 is to grant One Million One Hundred Sixteen Thousand Four Hundred Sixty-Three Dollars (\$1,116,463.00) to the Humboldt Network of Family Resource Centers as the organization that will administer the grant funds awarded to each participating community and family resource center. The Humboldt Network of Family Resource Centers has worked with each individual community and family resource center to determine the amount of funds that will be awarded thereto.

The amount of grant funding requested for fiscal year 2026-27 is a decrease of Fifty-Eight Thousand Seven Hundred Sixty-Five Dollars (\$58,765.00) from the amount approved for fiscal year 2025-26. Such funding will allow sixteen (16) participating community and family resource centers to provide community outreach and support services related to the CalWORKs, Temporary Assistance to Needy Families and CalFresh programs for the period of July 1, 2026 through June 30, 2027. This model of regionalization to provide needed services throughout the geographically diverse communities of Humboldt County has proven to be highly effective.

Accordingly, DHHS - Social Services recommends that the Board approve the proposed grant of One Million One Hundred Sixteen Thousand Four Hundred Sixty-Three Dollars (\$1,116,463.00) to the Humboldt Network of Family Resource Centers in order to allow for the provision of community outreach and support services related to the CalWORKs, Temporary Assistance to Needy Families and CalFresh programs for the period of July 1, 2026 through June 30, 2027. It is also recommended that the Board authorize the DHHS - Social Services Director, or a designee thereof, to execute individual grant agreements with participating community and family resource centers, in the amounts set forth in the attached Humboldt Network of Family Resource Centers’ funding request, that are substantially similar to the attached grant agreement template, and any and all subsequent amendments thereto, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in the provision of needed community outreach and support services.

ALTERNATIVES TO STAFF RECOMMENDATIONS:

The Board may choose not to approve the proposed grant of funding to the Humboldt Network of Family Resource Centers regarding the provision of community outreach and support services related to the CalWORKs, Temporary Assistance to Needy Families and CalFresh programs. However, this alternative is not recommended since it will not allow participating community and family resource centers to provide valuable services in their communities.
