RE: Letter of Support for Jones Family Tree Services

RBrown Construction is pleased to provide this letter of support for Jones Family Tree Services, a locally owned business serving Willow Creek and the surrounding communities.

RBrown Construction recognizes the importance of supporting local businesses that invest in our communities and provide employment opportunities for local residents. Jones Family Tree Services contributes to our area through fuel-reduction and vegetation-management work, community involvement, and continued investment in the local economy.

The work performed by Jones Family Tree Services is particularly valuable to our rural communities, where wildfire preparedness and mitigation remain important priorities. By providing local fuel-reduction services, the company helps strengthen wildfire mitigation capacity while supporting efforts to protect homes, businesses, infrastructure, and community resources.

In addition to the services it provides, Jones Family Tree Services contributes to local economic growth by creating employment opportunities, keeping resources within the community, and supporting a locally based workforce. Businesses such as Jones Family Tree Services play an important role in building a stronger and more resilient local economy.

RBrown Construction supports Jones Family Tree Services and recognizes the positive contributions the company makes to Willow Creek and the surrounding area. We are pleased to offer our support for their continued work and growth within our community.

Sincerely,

RBrown Construction
