Re: Letter of Support — General Plan Amendment for 40 Enchanted Spring Lane, Willow Creek (APN 524-201-009)

On behalf of the Willow Creek Fire Safe Council, I am writing to express our strong support for Marie and Ben Jones' petition to restore the Commercial General Plan designation for their property at 40 Enchanted Spring Lane, which is currently zoned Community Commercial (C-2).

The Willow Creek Fire Safe Council is well acquainted with Jones Family Tree Service (JFTS) through their contracted fuel reduction work, which they have performed not only for our organization but also for numerous other community groups. We have consistently been impressed by their high level of professionalism and the exceptional quality of their work. As dedicated members of our rural communities, they provide vital economic support and essential services to both Humboldt and Trinity Counties.

We believe that restoring the Commercial designation to this property aligns perfectly with the parcel's location. Furthermore, it supports continued local economic growth and enhances wildfire mitigation capacity in the Willow Creek area. We respectfully request that the Board give this petition favorable consideration.

Thank you for your time and consideration of this important matter.

Sincerely,

/s/ Regina Moon
