Re: Rohnerville Airport California Department of Forestry (CDF) Air Base

To Whom It May Concern:

The County of Humboldt Aviation Division has reviewed the current lease agreement with CDF for the use of Rohnerville Airport and is proposing a rental increase as per Paragraph 31 of the agreement entered into September 10, 1985.

The Current amount is set at \$300 per month. The last increase was initiated on October 1, 1996. As per the agreement rents may be reviewed every five years. The County is using the CPI-U formula in review of increases in rents. From October of 1996 to February of 2004 the current index amount is 19.04%. This results in a \$57.00 per month increase.

Please consider this as the 90 days notice required under the current agreement for the new rents to be initiated. The new rents of \$357.00 will begin July 1, 2004.

Please contact this office if you have any questions and an addendum to the agreement will be sent shortly to your offices.
