Willow Creek Fire Safe Council

P.O. Box 224, Willow Creek, CA 95573
(530) 629-6008

The mission of the Willow Creek Fire Safe Council is to reduce wildfire risk and increase survivability by implementing fuels reduction projects and encouraging residents of the greater Willow Creek area to make their homes, neighborhoods and community fire safe.

October 16, 2026

Dear Humboldt County Board of Supervisors,

The Willow Creek Fire Safe Council (WCFSC) has an alteration to our Humboldt County Fire Safe Council representative, and are removing Olivia Lopes as primary representative, effective once the Board of Supervisors approves. We would like to sincerely thank Olivia for her dedication to our organization and our small Willow Creek community. Her time spent as the representative is valued and appreciated.

Andrea McBroom will be the new representative and Jim Cotton is willing to stay on as the alternate.

If you have any questions, please reach out at any time.

Sincerely,

Regina L. Moon

Regina Moon,

President Willow Creek Fire Safe Council
