January 10, 2023

TO: Honorable Chair and Commissioners

FROM: David Loya, Director of Community Development

PREPARER: David Loya, Director of Community Development

DATE: January 04, 2023

TITLE: **Arcata Fire Department Presentation Related to Infill Upzoning and Fire Services**

RECOMMENDATION:

The Planning Commission should receive a report from the Arcata Fire Department representatives on fire and public safety services, receive public comment, and provide direction or comments as necessary.

INTRODUCTION:

The Planning Commission asked the Arcata Fire Department to provide a presentation of their thoughts and concerns about the infill planning work the City is engaged in. This item will provide the Commission and the public an opportunity to ask questions and learn more about the important considerations to the Fire Department with infill development.

DISCUSSION:

This item provides an opportunity to consider measures that may need to be established for public safety as the City experiences growth. The Fire Department will have staff and Board Members on hand to present and answer any questions the Commission may have.
