7.2 QUALIFICATIONS & EXPERIENCE FORM

**Proposer's Organization
Name:**

Moose Boats, LLC.

Present a brief statement of qualifications. Describe the history of the Proposer's organization, especially regarding skills pertinent to the specific work required by the RFP and any special or unique characteristics of the organization which would make it especially qualified to perform the required work activities. You may expand this form and use additional pages to provide this information.

(Please See Attached Sheet for Response)

Humboldt County Sheriff's Office
RFP # SHF-22-001
7.2 Qualifications & Experience Form

For over 20 years, Moose Boats, LLC. has been building the highest quality diesel aluminum catamarans and monohull boats in the industry. Each custom designed vessel is engineered to meet the mission specific requirements for law enforcement, emergency response, security patrol, and a variety of other industrial applications.

Moose Boats are known for their sensible design, durability, comfort, safety fit & finish. These tough & powerful boats are found perpetually at work satisfying the needs of clients from California to New York, and from the Great Lakes to the Gulf of Mexico. They are designed and constructed in the San Francisco Bay Area at the Moose Boats facility with in the Lind Marine shipyard complex at Vallejo, CA. USA.

Brief Description of Project or Service

(Please See Attached Sheet for Response)

Humboldt County Sheriff's Office
RFP # SHF-22-001
7.3 Reference One

Santa Cruz Harbor Patrol
Blake Anderson – Harbor Master

M3 Moose Boats Monohull – Patrol Boat

LOA: 34'
Beam: 11'6"
Draft: 34"
Air Draft: 12'
Freeboard: 40" (midship)
Displacement: 12,500Lbs.
Propulsion: Twin Suzuki 300s
Max Speed: 45 knots

“Several years ago, our agency began a search to find a suitable vessel to replace our nearly 20-year-old patrol boat. After looking at many different patrol boat manufacturers and speaking with other law enforcement agencies about their boats, we discovered Moose Boats, LLC. We reached out to them and set up a meeting/test drive in the San Francisco Bay. Immediately we were impressed with the M3 we drove and knew for certain that this was the boat we needed in Santa Cruz.

During our search we looked at and test drove several other manufacturers' boats, but there was no question the Moose M3 was at the top of our list because of its stability, hull profile and maneuverability.”

- B. Anderson (January 2022)

Reference Two

Name & Title:	Scott Daly - Captain
Organization:	Rochester Fire Department

**Rochester Fire Department – New York
Scott Daly – Fire Captain**

M2 Moose Boats Catamaran – Fireboat Boat

**LOA: 38'10"
Beam: 13'6"
Draft: 24"
Freeboard: 42" (midship)
Displacement: 21,000Lbs.
Propulsion: Cummins 6.7L Turbo Diesels
Max Speed: 35 knots**

The M2 – 38, dubbed “Marine 1,” is the first Moose Boats in the Great Lakes, and was selected after an extensive review of the many competitors’ offerings as the most capable and stable platform to perform their duties aboard....Monroe County in which Rochester resides has the 2nd largest number of registered boaters in the State of New York. The RFD’s new vessel will work in-conjunction with marine resources from U.S. Coast Guard Station Rochester U.S. Customs and Boarder Protection, the New York State Department of Environmental Conservation, and the Monroe County Sheriff Marine Unit to protect these assets and respond mutual aid with neighboring marine emergency response agencies along the south shore of Lake Ontario.”

Chief Hernandez Jr. (May, 2021)

Reference Three

Name & Title:	Brian Bailie Lieutenant
Organization:	California Department of Fish & Wildlife
Telephone:	831-278-1182

Brief Description of Project or Service

(Please See Attached Sheet for Response)

Humboldt County Sheriff's Office
RFP # SHF-22-001
7.3 Reference Three

California Department of Fish & Wildlife
Brian Bailie - Lieutenant

M1 Moose Boats Catamaran – Patrol Boat

LOA: 46'
Beam: 16'
Draft: 26"
Freeboard: 48" (midship)
Displacement: 30,000Lbs.
Propulsion: Volvo D611 Turbo Diesels
Max Speed: 35 knots

California Department of Fish and Wildlife's vessel specifications called for comprehensive deck and interior outfitting to enable extended operations for Game Wardens while performing enforcement and wildlife sampling duties off the Northern California coastline. In response, Moose Boats integrated Freeman side sliding doors into port and starboard sides of the wide M1 cabin allowing the crew to freely communicate with commercial and recreational boaters as well as serve as secondary ingress and egress for the crew. "Chinook" will join California Department of Fish and Wildlife's other Moose Boats M2-38 Catamaran, called "Cabezon," in protecting Northern California's marine ecosystem and enhancing the safety of its commercial and recreational mariners.

RFP# SHF-22-001
7.4 SCOPE OF SERVICES FORM

Proposer's Organization Name:	Moose Boats, LLC.
--------------------------------------	-------------------

Indicate your response to the following questions with a "Y" for yes or a "N" for no.

Following the questionnaire, Discuss the Bid Specifications-Scope of Services referenced in this RFP and what the Proposer will offer. Give particular attention to describing the methods and resources you will use and how you will accomplish the tasks involved. Also, describe how you will ensure expectations and/or desired outcomes as a result of these services will be achieved. Please reference title and page number if adding additional documents.

The Proposer's: Specific Y/N Questions?

- Proposer is capable of completing project within designated time frame.
- Proposer's vessel and trailer design will be of a recognized manufacturer of heavy aluminum watercraft that has been in business continuously for a minimum of 24 consecutive months.
- Proposer's trailer and engines can be serviced by a certified repair shop within Humboldt County.
- Proposer is capable of completing project in accordance with all industry standards.
- Proposer has trained technicians to work on either Yamaha, Honda, Mercury, or Other marine engines and equipment (please describe)
- Proposer will allow outside vendors to access and perform work aboard the vessel while at the Proposer's facility as agreed upon by vendor and purchaser for installation of any electronics or other equipment not provided and/or installed by vendor.
- Proposer will allow Sheriff's Department personnel access to inspect and review work aboard the vessel while at the Proposer's facility. This will be at a minimum of one visit by department personnel for inspection and review of work during build process.
- Proposer will accommodate a minimum of two personnel from the Humboldt County Sheriff's Office to participate in final sea trial of vessel for inspection and training purposes. This is to be conducted at an agreed upon location.
- Are there any additional services the Proposer intends on providing? If so, indicate below:

Additional Services Continued:

“Hands-On” training will be provided upon delivery of vessel.

7.8 DEBARMENT, PERFORMANCE and NON-COLLUSION CERTIFICATION

Proposer's Organization Name:	Moose Boats, LLC.
--------------------------------------	-------------------

By signing this document, I certify to the best of my knowledge and belief that the aforementioned organization, its principals, and any subcontractors named in this proposal:

- a. Are not presently debarred, suspended, proposed for debarment, and declared ineligible or voluntarily excluded from bidding or working on contracts issued by any governmental agency.*
- b. Have not within three years of submitting the proposal for this contract been convicted of or had a civil judgment rendered against them for:

 - i. Fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a federal, state, or local government transaction or contract.*
 - ii. Violating Federal or State antitrust statutes or committing embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;*
 - iii. Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any of the offenses enumerated in paragraph (b) of this certification; and*
 - iv. Have not within a three (3) year period preceding this proposal had one or more federal, state, or local government transactions terminated for cause or default.**
- c. Have not entered into a prior understanding, agreement, or connection with any corporation, firm, or person submitting a response for the same materials, supplies, equipment, or services and this proposal is in all respects fair and without collusion or fraud. The above-mentioned entities understand and agree that collusive bidding is a violation of state and federal law and can result in fines, prison sentences, and civil damage awards.*

Failure to provide this certification may result in the disqualification of the Proposer's proposal, at the discretion of the Department.

Name (Print): Stephen Dirkes	Title: General Manager
Authorized Signature: 	Date: 11/21/22

8.0 EVALUATION CRITERIA AND SELECTION PROCESS

After the Proposals are received and opened by the Sheriff’s Office, the Sheriff’s Office will review and evaluate all Proposals to this RFP. Evaluators will determine whether the Proposer possesses the qualifications necessary for satisfactory completion of proposed patrol vessel and trailer. The Sheriff’s Office may also investigate qualifications of each Proposer/Bidder to whom it is contemplating awarding. In doing so, the Sheriff’s Office may request clarifications of Proposals directly from one or more Proposers.

9.0 SCORING

The Humboldt County Sheriff’s Office review team will use a consensus approach to evaluate and score a weighted scorecard. Members of the review team will not score sections individually but, instead, will arrive at a consensus as to assignment of points for each of those sections. Criteria will be grouped in like categories and given a percentage based on importance. There are 5 categories totaling 100% overall. Each line within the category will be weighted by a percentage totaling the whole of the category. Points will be given to each line and multiplied by the weighted percentage assigned to that line within the category. Scoring will be: 10=Fully Meets Objectives, 7=Mostly Meets Objectives, 3=Partially Meets Objectives, and 0=Not Suitable. Once all points are assigned, they will be multiplied by the weighted percentage creating a weighted total score. The highest weighted total score from all categories, and determination of fulfillment of needs criteria will determine the award.

In case of a tie the review team has determined that the tied vendors sealed bid response date, to the RFP, will determine the tie breaker. If there is a situation where there is a tie in the response delivery date for those tied vendors, then a random draw will take place to determine the vendor selected for the award.
