Assessor Parcel Number (APN) 508-391-045
School Road - McKinleyville area

A Final Map Subdivision of an approximately 10.51-acre parcel into 45 residential lots ranging in size between approximately 5,000 square feet to 7,800 square feet in size, including a proposed 11,850 square foot parcel (Lot "B") for park purposes. The subdivision was first approved by the Planning Commission in 2004 and authorized the creation of 88 residential lots. In 2011 the project was modified and authorized by the Planning Commission to allow buildout in five (5) phases. The first two phases have since been completed resulting in the creation of 43 residential parcels, however the map expired before the remaining three phases were completed. The owner is once again seeking approval of the map to allow creation of the 45 additional lots from the remaining uncompleted phases that were planned for and previously approved. This includes an application for a Coastal Development Permit due to a small portion of the property being located in the coastal zone and for a Special Permit due to the location within an Alquist-Priolo Fault Hazard Zone.

A motion was made by Commissioner Mitchell, seconded by Commissioner Skavdal, supporting revision to Condition of Approval 18, requiring the extension of McKinleyville Avenue and related off-site improvements (from Chelsea Way to Washington Avenue) must be completed before filing the final map for any of the remaining phases, regardless of the order pursued.
