2.0 **INTRODUCTION:**

2.1 **Statement of Purpose:**

The County of Humboldt (“County”), by and through its Department of Public Works – Solid Waste Division, is issuing this Request for Proposals (“RFP”) to retain an experienced and qualified consulting firm to manage and provide technical support services (“Services”) to represent the County and participating jurisdictions in assisting with planning and implementation of programs associated with compliance of the “Short-Lived Climate Pollutant Reduction Act” (SB 1383) Edible Food Recovery Program requirements (“Project”). The Successful Proposer must have the ability to provide trained and experienced personnel and staff to perform the Services set forth in this RFP, which include, without limitation, project management, knowledge of and experience in edible food recovery programs and solid waste diversion programs, capacity and compliance assessments, public outreach, education and training, program development and communications, recordkeeping and reporting, and evaluation expertise. It should be noted that this RFP is a non-binding solicitation for such Services and may be canceled by the County at any time.

2.2 **Project Background:**

SB 1383 serves as a statewide effort to reduce emissions of short-lived climate pollutants and sets the following targets:

1. Reduce statewide disposal of organic waste by 50% by January 1, 2020 and by 75% by January 1, 2025 (based on 2014 levels).
2. Recover at least 20% of currently disposed edible food for human consumption by 2025.

The California Department of Resources Recycling and Recovery (CalRecycle) created regulatory standards for SB 1383. The finalized guidelines can be found at <https://www.calrecycle.ca.gov/organics/slcp/>. The Cities of Arcata, Eureka, and Fortuna and the County of Humboldt all submitted a Notice of Intent to Comply (NOIC) to CalRecycle. Civil penalties will be waived if these jurisdictions comply with their Corrective Action Plans.

To meet the edible food recovery goal, SB 1383 regulations have placed requirements on eligible businesses and require them to establish food rescue programs. The food rescue regulations were to start January 1, 2022 with the largest generators, known as “Tier 1” generators, which include large food distributors, food service providers, wholesale food vendors, grocery stores with facilities larger than 10,000 square feet, and supermarkets with revenue greater than \$2 million. By January 1, 2024, the regulations will expand to include “Tier 2” generators which include restaurants with facilities greater than 5,000 sq. ft. or more than 250 seats, hotels with on-site food facilities and more than 200 rooms, local education agencies with an onsite food facility, large events and venues, state agency cafeterias that are greater than 5,000 sq. ft. or more than 250 seats, health facilities with an onsite food facility and more than 100 beds, and non-local entities. SB 1383 regulations mandate that all California jurisdictions must implement an edible food

recovery program that educates commercial edible food generators, increases commercial edible food generator access to food recovery organizations and food recovery services, and monitors commercial edible food generator compliance. In addition, municipal jurisdictions that do not have sufficient edible food recovery capacity must increase their capacity as required by Section 18992.2 of the adopted guidelines. Humboldt County and participating jurisdictions are seeking a qualified firm to ensure SB 1383 edible food recovery requirements are being met.

It is the desire of Humboldt County and participating jurisdictions to coordinate and work in concert on this effort. The County of Humboldt Department of Public Works will oversee the management of this RFP. The municipalities of City of Eureka, City of Arcata, City of Fortuna, City of Blue Lake, City of Rio Dell, City of Ferndale, and City of Trinidad will collaborate with the County of Humboldt on the implementation of an Edible Food Recovery Program required as part of SB 1383, the “Short-Lived Climate Pollutant Reduction Act”. The selected Consultant will act as lead for the Edible Food Recovery Program for all participating jurisdictions. The Humboldt County Department of Environmental Health (DEH) will be conducting inspections of Tier One and Tier Two generators. The selected Consultant will be responsible for collecting and retaining contracts between Tier One and Tier Two generators and Food Recovery Organizations and Food Recovery Services as well as receiving and referring inspection reports to Humboldt County Public Works (PW), Humboldt County Code Enforcement Unit (CEU), or the respective jurisdictions’ designee for enforcement action. The Scope of Work, to be developed by the Proposer, is expected to aid PW, DEH and CEU communications with each individual municipal jurisdiction in their respective establishment of an Edible Food Recovery Program, ensure jurisdictions maintain compliance with SB 1383 edible food recovery requirements, implement critical pathways for the expansion of food recovery, and identify new program needs and policies as appropriate.

2.3 Regional Description

Humboldt County is located on the coast of northern California, approximately 250 miles north of San Francisco. The County is over 4,050 square miles with a total County population of approximately 134,740 according to the 2020 census.

In 2018, a CalRecycle Waste Characterization Study found that 2.84% of waste in California is edible food and also in 2018, Humboldt County as a whole disposed of 105,701 tons of solid waste. As such, Humboldt County is disposing of 3,588 tons of edible food. CalRecycle has set a statewide target to recover 20% of the potentially donatable tons from current disposal by 2025 which the County also aims to meet. At current rates, this would suggest that at least 718 tons of food per year should be rescued within Humboldt County.

2.4 Edible Food Recovery Generators, Services and Organizations

In 2022, Edgar & Associates and Abound Food Care were contracted by the Humboldt Waste Management Authority (HWMA), on behalf of its member jurisdictions to complete an Edible Food Recovery Capacity Study for Humboldt County. HWMA was established by a Joint Powers Agreement comprised of the County of Humboldt and the Cities of Arcata, Blue Lake, Eureka, Ferndale and Rio Dell in 1999. The report developed by Edgar & Associates determined that Humboldt County has 37 confirmed active pantries and one food bank, Food for People, which service the county as a whole. Food for People collects food donations from food donors and either delivers it to their partner food pantries or takes it back to their warehouse locations to sort the

product for pickup by the food pantry network. Food for People also connects food pantries with donors and coordinates pickup dates and times. Most of the food donations in the County are coordinated through the food bank, who assist with the administration, tracking and agreement components of the operations.

A survey of Humboldt County Tier 1 generators conducted by Abound Food Care on behalf of the HWMA in December 2021 showed that as many as 54 generators are required to have food donation programs to be compliant with SB 1383. Of those, 33 are participating in edible food recovery programs and 21 will need to begin edible food recovery programs.

CONSULTANT agrees to notify COUNTY immediately if it becomes a Nuclear Weapons Contractor as defined above. COUNTY may immediately terminate this Agreement if it determines that the foregoing certification is false or if CONSULTANT subsequently becomes a Nuclear Weapons Contractor.

14. DRUG-FREE WORKPLACE CERTIFICATION:

By executing this Agreement, CONSULTANT certifies that it will provide a drug-free workplace in accordance with the requirements of the Drug-Free Workplace Act of 1990 (California Government Code Sections 8350, *et seq.*), by doing all of the following:

- A. Drug-Free Policy Statement. Publish, as required by California Government Code Section 8355(a)(1), a Drug-Free Policy Statement which notifies employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited, and specifies the actions to be taken against employees for violations.
- B. Drug-Free Awareness Program. Establish, as required by California Government Code Section 8355(a)(2), a Drug-Free Awareness Program which informs employees about:
 - 1. The dangers of drug abuse in the workplace;

 - 3. Any available counseling, rehabilitation and employee assistance programs; and
 - 4. Penalties that may be imposed upon employees for drug abuse violations.
- C. Drug-Free Employment Agreement. Ensure, as required by California Government Code Section 8355(a)(3), that every employee who provides services pursuant to the terms and conditions of this Agreement will:
 - 1. Receive a copy of CONSULTANT's Drug-Free Policy Statement; and
 - 2. Agree to abide by CONSULTANT's Drug-Free Policy as a condition of employment.
- D. Effect of Non-Compliance. Failure to comply with the requirements set forth herein may result in termination of this Agreement and/or ineligibility for award of future contracts.

15. INDEMNIFICATION:

- A. Hold Harmless, Defense and Indemnification. To the fullest extent permitted by law, and in accordance with California Civil Code Section 2782.8, CONSULTANT shall hold harmless, defend and indemnify COUNTY and its agents, officers, officials, employees and volunteers from and against any and all claims, demands, losses, damages, liabilities, expenses and costs of any kind or nature, including, without limitation, attorney's fees and other costs of litigation, arising out of, or in connection with, CONSULTANT's negligent performance of, or failure to comply with, any of the duties and/or obligations contained herein, except such loss or damage which was caused by the sole negligence or willful misconduct of COUNTY.
- B. Effect of Insurance. Acceptance of the insurance required by this Agreement shall not relieve CONSULTANT from liability under this provision. This provision shall apply to all claims for damages related to CONSULTANT's performance hereunder regardless of whether any insurance is applicable or not. The insurance policy limits set forth herein shall not act as a limitation upon the amount of indemnification or defense to be provided hereunder.

16. INSURANCE REQUIREMENTS:

This Agreement shall not be executed by COUNTY, and CONSULTANT is not entitled to any rights hereunder, unless certificates of insurance, or other proof that the following provisions have been complied with, are filed with the Clerk of the Humboldt County Board of Supervisors.

- A. General Insurance Requirements. Without limiting CONSULTANT's indemnification obligations set forth herein, CONSULTANT, and its subcontractors, shall take out and maintain, throughout the entire term of this Agreement, and any extensions thereof, the following policies of insurance, placed with insurers authorized to do business in the State of California with a current A.M. Bests rating of no less than A: VII or its equivalent against personal injury, death and property damage which may arise from, or in connection with, the activities of CONSULTANT and its agents, officers, directors, employees, assignees or subcontractors:
 - 1. Comprehensive or Commercial General Liability Insurance at least as broad as Insurance Services Office Commercial General Liability Coverage (occurrence form CG 0001), in an amount of Two Million Dollars (\$2,000,000.00) per occurrence for any one (1) incident, including, without limitation, personal injury, death and property damage. If a general aggregate limit is used, such limit shall apply separately hereto or shall be twice the required occurrence limit.
 - 2. Automobile/Motor Liability Insurance with a limit of liability not less than One Million Dollars (\$1,000,000.00) combined single limit coverage. Such insurance shall include coverage of all owned, hired and non-owned vehicles, and be at least as broad as Insurance Service Offices Form Code 1 (any auto).
 - 3. Workers' Compensation Insurance, as required by the California Labor Code, with statutory limits, and Employers Liability Insurance with a limit of no less than One Million Dollars (\$1,000,000.00) per accident for bodily injury or disease. Said policy shall contain, or be endorsed to contain, a waiver of subrogation against COUNTY and its agents, officers, officials, employees and volunteers.
 - 4. Professional Liability Insurance – Error and Omission Coverage including coverage in an amount no less than Two Million Dollars (\$2,000,000.00) for each occurrence (Four Million Dollars

(\$4,000,000.00) general aggregate). Said insurance shall be maintained for the statutory period during which CONSULTANT may be exposed to liability regarding the services provided pursuant to the terms and conditions of this Agreement. CONSULTANT shall require that such coverage be incorporated into its professional services agreements with any other entities.

- B. Special Insurance Requirements. Said policies shall, unless otherwise specified herein, be endorsed with the following provisions:
1. The Comprehensive or Commercial General Liability Policy shall provide that COUNTY, and its agents, officers, officials, employees and volunteers, are covered as additional insured for liability arising out of the operations performed by, or on behalf of, CONSULTANT. Such coverage shall contain no special limitations on the scope of protection afforded to COUNTY or its agents, officers, officials, employees and volunteers. Said policy shall also contain a provision stating that such coverage:
 - a. Does not contain exclusions as to property damage caused by explosion or collapse of structures or underground damage, commonly referred to as "XCU Hazards."
 - b. Includes contractual liability.
 - c. Is the primary insurance with regard to COUNTY.
 - d. Does not contain a pro-rata, excess only and/or escape clause.
 - e. Contains a cross liability, severability of interest or separation of insureds clause.
 2. The above-referenced policies shall not be canceled, non-renewed or materially reduced in coverage without thirty (30) days prior written notice being provided to COUNTY in accordance with the notice requirements set forth herein. It is further understood that CONSULTANT shall not terminate such coverage until COUNTY receives adequate proof that equal or better insurance has been secured.
 3. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
 4. For claims related to this Agreement, CONSULTANT's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONSULTANT's insurance and will not be used to contribute therewith.
 5. Any failure to comply with the provisions of this Agreement shall not affect the coverage provided to COUNTY or its agents, officers, officials, employees and volunteers.
 6. CONSULTANT shall furnish COUNTY with certificates and original endorsements effecting the required coverage prior to execution of this Agreement. The endorsements shall be on forms approved by the Humboldt County Risk Manager. Any deductible or self-insured retention over One Hundred Thousand Dollars (\$100,000.00) shall be disclosed to, and approved by, COUNTY.

If CONSULTANT does not keep all required policies in full force and effect, COUNTY may, in addition to any other available remedies, take out the necessary insurance and deduct the cost of said insurance from the monies owed to CONSULTANT under this Agreement.

7. COUNTY is to be notified immediately if twenty-five percent (25%) or more of any required insurance aggregate limit is encumbered, and CONSULTANT shall be required to purchase additional coverage to meet the above-referenced aggregate limits.

- C. Insurance Notices. Any and all insurance notices required to be given pursuant to the terms and conditions of this Agreement shall be sent to the addresses set forth below in accordance with the notice requirements contained herein.
