Neither CONTRACTOR's performance of this Agreement, nor the exercise by either party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display or performance, distribution and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement, will infringe upon or violate any Intellectual Property right, non-disclosure obligation or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States or any foreign country. There is currently no actual or threatened claim by any such third-party based on an alleged violation of any such right by CONTRACTOR.
4. Neither CONTRACTOR's performance of its duties and obligations hereunder, nor any part thereof, will violate the privacy rights of, or constitute a libel or slander against, any person or entity.
5. It has secured, and will secure, any and all rights and licenses necessary for the use of Intellectual Property, including, without limitation, consents, waivers or releases from all authors of music or performances, talent, including radio, television and motion picture talent, and owners of any interest in sites, property or props that may be used or shown.
6. It has not granted, and shall not grant to, any person or entity any right that might derogate, encumber or interfere with any of the rights granted to DHCS hereunder.

8. It has no knowledge of any outstanding claims, licenses or other charges, liens or encumbrances of any kind or nature that could affect in any way CONTRACTOR's performance of its duties and obligations hereunder.
9. DHCS makes no warranty that the Intellectual Property resulting from this Agreement will not infringe upon any existing or subsequent patent, trademark, copyright or the like.

G. Intellectual Property Indemnity. By executing this Agreement, CONTRACTOR, for itself, and its assignees and successors in interest, agrees as follows:

1. CONTRACTOR shall indemnify, defend and hold harmless DHCS, and its licensees, assignees, officers, directors, employees, agents, representatives, successors and users of its products ("Indemnitees"), from and against all claims, actions, damages, losses or liabilities, whether or not rightful, arising from any and all actions or claims by any third-party or expenses related thereto, including, without limitation, all legal expenses, court costs and attorney's fees incurred in investigating, preparing, serving as a witness in or defending against, any such claim, action or proceeding, whether commenced or

threatened, to which any of the Indemnitees may be subject whether or not CONTRACTOR is a party to any pending or threatened litigation, which arise out of or are related to: the incorrectness or breach of any of the representations, warranties, covenants or agreements of CONTRACTOR pertaining to Intellectual Property; or any Intellectual Property infringement, or other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance or display, license and disposition of the Intellectual Property made, conceived, derived from or reduced to practice by CONTRACTOR or DHCS as a direct or indirect result of this Agreement. CONTRACTOR's indemnity obligations hereunder shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in, at CONTRACTOR's expense, any such infringement action brought against DHCS.

2. Should any Intellectual Property licensed by CONTRACTOR to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, CONTRACTOR shall exercise its authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with the terms and conditions of this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel, at CONTRACTOR's expense, in any such claim or action. In the defense or settlement of the claim, CONTRACTOR may obtain the right for DHCS to continue using the licensed Intellectual Property; or replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other available rights and remedies.
3. CONTRACTOR agrees that damages alone would be inadequate to compensate DHCS for CONTRACTOR's breach of the Intellectual Property provisions set forth herein. CONTRACTOR acknowledges DHCS would suffer irreparable harm in the event of such breach, and agrees DHCS shall be entitled to obtain equitable relief, including, without limitation, an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

 3. For claims related to this Agreement, CONTRACTOR's insurance is the primary coverage to COUNTY, and any insurance or self-insurance programs maintained thereby are excess to CONTRACTOR's insurance and will not be used to contribute therewith.
 4. The inclusion of more than one (1) insured shall not operate to impair the rights of one (1) insured against another insured, and the coverage afforded shall apply as though separate policies had been issued to each insured, but the inclusion of more than one (1) insured shall not operate to increase the limits of the insurer's liability.
