**RE: PROPOSED VACATION OF PUBLIC UTILITY EASEMENT AJACENT TO KRISTIN WAY  
(COUNTY ROAD NO. 4L851) IN MCKINLEYVILLE**

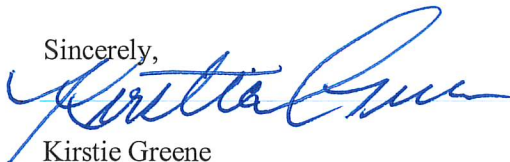

The Department of Public Works is preparing documents for the proposed vacation for the reduction of a 25-foot-wide public utility easement located adjacent to Kristin Way. There will continue to be a 20-foot-wide utility easement. The easement was created by Tract No. 388, recorded October 6, 1992, in Book 20 of Parcel Maps, pages 96-98. The areas proposed for vacation is located in the Northwest quarter of Section 8, Township 6 North, Range 1 East, Humboldt Meridian. The public utility easement to be vacated is shown on the attached "Exhibit B".

Please review the attached map and advise the Department if AT&T has any facilities that would be affected by the proposed vacation.

- If AT&T has facilities that need a public utility easement to be reserved, please advise me of location and the width of the easement necessary. I will have the easement prepared. I will then follow up with you to ensure that the proposed public utility easement will be acceptable to you.
- If AT&T has *no facilities* that would be affected by the proposed vacation then please execute the acknowledgment above indicating that AT&T does not object to the proposed vacation. You may return the acknowledgement by e-mail or the address below.

If you need additional information or if you have any questions, please feel free to call me at 707-445-7205.

Sincerely,

Re: Easement- Parcel "J" per 20 Maps 96-98, 1629 Kristin Way, McKinleyville  
1629 Kristin Way, McKinleyville

Dear David:

Thank you for giving us the opportunity to review the proposed public utility easement ("PUE") reduction. This is in response to the email dated May 11, 2022, informing PG&E of the proposed PUE reduction of 1629 Kristin Way as shown on the attached drawing and below, located in the City of McKinleyville, County of Humboldt.

An investigation indicates that PG&E currently has no utility facilities within the proposed 5' PUE reduction area. Therefore, PG&E has no request or objections to the proposed 5' PUE vacation leaving the remaining 20' of the PUE active.

If you have any questions regarding our response, please contact me at [Kevin.Wun@pge.com](mailto:Kevin.Wun@pge.com)

Sincerely,

Kevin Wun  
Land Management

Pat-

Would you please confirm that MCSD does not object to the proposed vacation of a portion of the 25' wide PUE as shown on the attached exhibit?

Thanks!
