DISCUSSION:

The Justice Involved Pre-Release Medi-Cal Eligibility and Enrollment Project is meant to make the current Medi-Cal system more equitable, coordinated and person-centered to help people maximize their health and life trajectory. The Justice Involved Pre-Release Medi-Cal Eligibility and Enrollment Project will help streamline the Medi-Cal system and is a collaborative effort among health plans, providers, hospitals, community-based organizations, tribes and county agencies to increase more

positive outcomes among justice involved adults and youth.

The Humboldt County Department of Health and Human Services - Social Services (DHHS - Social Services) and the Humboldt County Probation Department (HCPD) created a process to facilitate pre-release access well before the Justice Involved Pre-Release Medi-Cal Eligibility and Enrollment Project was put in place as part of our regular inter-agency work to ensure equitable access to benefits for Humboldt County residents. The attached inter-departmental memorandum of understanding formalizes the rights and responsibilities of both DHHS - Social Services and HCPD regarding the provision of assistance to youth incarcerated in the Humboldt County Juvenile Hall with enrolling in affordable health coverage, and accessing high quality health services, as part of the Justice involved Pre-Release Medi-Cal Eligibility and Enrollment Project.

Accordingly, DHHS - Social Services recommends that the Board approve, and authorize the DHHS - Social Services Director and the Humboldt County Chief Probation Officer, or designees thereof, to execute, the attached inter-departmental memorandum of understanding regarding implementation of the Justice Involved Pre-Release Medi-Cal Eligibility and Enrollment Project in Humboldt County. It is also recommended that the Board authorize the DHHS - Social Services Director and the Humboldt County Chief Probation Officer, or designees thereof, to execute any and all subsequent amendments to the attached inter-departmental memorandum of understanding, after review and approval by County Counsel, Risk Management and the County Administrative Office, in order to avoid any unnecessary delays in implementation of the Justice Involved Pre-Release Medi-Cal Eligibility and Enrollment Project in Humboldt County.
