

Go at Your Own Pace

This program is designed to go at your pace allowing you can go as fast or slow as you'd like. Each week you and your "co-pilot" will assist you in obtaining important documents, looking for employment and getting access to valuable resources. As you advance in the program you will be provided access to more valuable programs as well as resources once you have the tools to take advantage of them.

Stage One

Participants will work on obtaining basic needs such as ID, credit scores and social security cards. They will have access to work on the beautification Team with grocery store gift cards as compensation.

Stage Two

Participants will work on obtaining employment and participate in the Pathway to Payday program where they will have the opportunity to interview with real businesses in the community who are hiring. They will have access to work on the beautification Team with a cash stipend as compensation.

Stage Three

Participants will work on obtaining housing, and participate in the RENT Ready Program, as well as meet with local property managers and city officials. They will have a higher level of responsibility on the beautification Team and receive a larger cash stipend as compensation.

Important Dates

This initial session runs from October 29th-December 22nd. Participants must participate in all activities to be able to remain in the program and receive access to resources as well as the beautification projects team.

EUREKA

**A program that works
at your pace & is designed
to empower you to reclaim your
independence through
work program opportunities,
on-going direct support
and resource management.**

Weekly Meetings

Participants will meet every Monday in a group meeting for food, and discussions about how their progress is going. This will be a time that participants can discuss any challenges they are having, as well as be celebrated for their successes.

These meetings will also be a time that participants can update their file on where they are in their progress, as well as work on a personal budget.

Meetings will be every Monday through December 17th at 12:30pm at the Betty Kwan Chinn Day Center at 133 7th Street in Eureka.

Co-Pilots

In addition to the weekly meetings, participants will meet up one-on-one with a volunteer each week for a meeting. These volunteers are the participants official "co-pilot" whose sole purpose will be to assist you in obtaining any documents you may be needing, making appointments on their behalf or arranging transportation.

Participants will have the same co-pilot for the total time they will be with the program.

Co-pilots will meet up with participants at a location and time that works for both the participants and co-pilot.

Work Program

Participants in this program will also have the opportunity to work on a team doing street clean ups, as well as a variety of other beautification projects.

Shifts take place on Tuesday, Wednesday and Thursday from 11am-2pm.

Participants will be compensated for their efforts with a grocery store gift card.

Participants who advance in the program will be compensated with a cash stipend.
