

## **CDBG-CV1 Eligible Activities**

### **Eligible Activities (24 CFR §§ 570.201-203)**

For the CDBG-CV1 NOFA, the following Activities are permitted:

#### **A. Community Development**

1. Public services to respond to COVID-19 impacts
2. Public facility improvements to increase capacity for healthcare facilities (facility improvements must include a documented connection with healthcare facility needs)
3. Public facility acquisition, provided that the end use increases healthcare facility capacity
4. Acquisition and/or improvement of housing facilities for persons experiencing homelessness

#### **B. Economic Development with a focus on job retention**

1. Business assistance
2. Microenterprise assistance (including Micro-financial assistance and Technical assistance)
