Dr. Teresa Frankovich  
Humboldt County Health Officer  
529 I Street  
Eureka, CA 95501

Dear Dr. Frankovich,

The Arcata City Council would like to thank you for your leadership as we continue to navigate through the effects of the COVID-19 pandemic. You have shown a steadfast commitment to protecting our community members' lives and health, and your deep respect and knowledge of science has served us all through these challenging times.

We especially want to acknowledge your commitment to being accessible and prioritizing open communication. Your continued efforts are helping to keep our residents informed with the latest local news. Your openness to discuss why decisions are being made, while providing clear information on what next steps might look like has not gone unnoticed. The comfort that this information brings to us all is immeasurable.

The City of Arcata would also like to acknowledge and thank the healthcare professionals, emergency support staff and first responders in our region. The selfless work they do to care for patients, knowing the risk of potentially contracting the virus or passing it to loved ones, is admirable. We understand that many have made the decision to self-isolate away from their families for extended periods of time and we are very grateful for these sacrifices and for their commitment to public health in Humboldt County.

With our sincere appreciation,

Michael Winkler  
Mayor
