OBSERVATIONS AND CORRECTIVE ACTIONS

Mrs. Fields Cookies
Onsite for opening reinspection of ~~Pastat Market~~. Operator had a contract with local pest service at time of closure and will continue with weekly inspections until further notice as directed by DEH.

> Facility has made all corrections specified in OIR dated 7/15/25 to the satisfaction of this division.

Please continue to work with contracted pest control service to ensure continued control of pests. The following measures should continue to be taken:

- Put all utensils, to-go containers, and other single-use items into lidded bins at the end of each workday
- Wash, rinse, and sanitize all food contact surfaces at the beginning of each workday.
- Continue to store all food items in lidded containers or original over pack.

Thank you for your efforts! Your permit to operate has been reinstated. Contact me with any questions.
