

# HUMBOLDT BOTANICAL GARDEN'S Summer Concerts at the Garden

*Presents*

## SCOTIA BAND

**Sunday, July 2nd 1 pm - 3 pm**

HBG is delighted to welcome Scotia Band back to our Summer music series! Conductor Ken Ayooob has chosen an eclectic mix of seasonal favorites and a few surprises. Enjoy local fare by Stephanie's Home Cooking and local beer and wine while serenaded by marches such as "Circus Bee" by Henry Fillmore, medleys of traditional big band favorites, and contemporary television and film musical arrangements such as "The Magnificent Seven", all while surrounded by the incredible beauty of the gardens.

*~What a wonderful way to spend a Sunday afternoon~*
