Hosted by:

California Conservation Corps
Watershed Stewards Program
in Partnership with AmeriCorps
and
Northcoast Regional Land Trust

The Watershed Stewards Program (WSP) is dedicated to improving watershed health by actively engaging in restoration science, civic service, and community education while empowering the next generation of environmental stewards.

A program of the California Conservation Corps, WSP is one of the most productive programs for future employment in the environmental field. WSP is administered by CaliforniaVolunteers, the Office of the Governor and sponsored by AmeriCorps and the California Department of Fish and Wildlife.
