Humboldt Domestic Violence Services

The logo is a circular emblem with a light purple, textured background. In the center, there are five black line-art dandelions with their seeds blowing away. The text "Humboldt Domestic Violence Services" is written in a black, serif font, curving around the bottom and sides of the circle. At the top, the phone number "24/7 Support Line 707-443-6042" is written in a similar font, curving along the top edge. Small yellow dandelion seeds are scattered throughout the purple background.
